Michael Gruber, DMD, FAGD | Michela Russo, DDS

• *General Dentistry*

“We are fortunate to be part of an amazing team that offers uncompromising care to our patients every single day,” says ten-time *New Jersey Monthly* Top Dentist Dr. Michael Gruber. He shares the spotlight again this year with long-time colleague Dr. Michela Russo. “Everyone in our office takes pride in providing exceptional treatment that promotes a lifetime of good oral health,” she says. Dr. Gruber and Dr. Russo are extremely grateful to be nominated for this award by their peers. Their highly regarded restorative-based practice also includes associates Dr. Michael McCleaster and Dr. Alexa Gruber.

With comprehensive offerings that focus on cosmetic and restorative dentistry, this general dentistry practice also provides services in pediatric dentistry, periodontics, endodontics, oral surgery and implants. Tooth whitening, Invisalign® braces, and enhancements such as Botox® and dermal fillers are also available.

Patients benefit from leading-edge technologies, including 3-D CAT scans, cosmetic imaging, diagnostic intraoral video cameras and digital impressions for perfect-fitting restorations.

Dr. Gruber is a graduate of Fairleigh Dickinson School of Dentistry and a member of Omicron Kappa Upsilon, the National Dental Honor Society. He completed his residency at Morristown Medical Center, where he now teaches cosmetic, restorative and implant dentistry. He is the founder and director of the Boys & Girls Club of Newark Children’s Dental Center, offering free dentistry to under-privileged children.

Dr. Russo graduated from NYU College of Dentistry and completed her residency at Englewood Hospital and Medical Center. She offers extensive knowledge in implants, aesthetic dentistry, and pediatric and geriatric patient care.
